As part of the revamped ENVIS Scheme, various new initiatives have been introduced, in addition to the existing mandate.

Keeping in view the changed mandate under the revamped ENVIS Scheme, it has been decided to change the existing theme/subject area of 'Biogeochemistry' of ENVIS Resource Partner (RP) (earlier known as ENVIS Thematic Centre) at JNU to '**Geodiversity and Impact on Environment**'. It is requested that the change in the theme/subject area may kindly be noted for future activities of ENVIS RP at JNU and
